OBJECTIVE

Computer Science graduate passionate about software development and eager to apply technical skills while learning and contributing to real-world projects.

EDUCATION

Bachelor of Technology, Computer Science

APJ Abdul Kalam Technological University

Nov 2022 - May 2026

SKILLS

Technical Skills Python, FastAPI, SQL, HTML, CSS

Soft Skills Teamwork, Problem Solving, Communication Skills

DevOps Docker, GitHub Actions(CI/CD pipelines)

PROJECTS

Gesture-Controlled Claw Machine: Built a real-time arcade claw machine controlled entirely through webcam hand gestures using JavaScript, React, MediaPipe Hands, HTML Canvas, and Vite. Implemented hand landmark tracking, pinch-gesture detection, collision mechanics, motion smoothing, and animated canvas rendering for interactive gameplay. Designed a neon arcade-style UI featuring collectible prizes, particle effects, and real-time joystick/claw control to create an immersive browser-based experience.

Backend Project (CI/CD & Automation): Built a small backend application with basic automated testing and deployment workflows to practice coding reliability. Created simple endpoints and health checks to understand backend functionality.

Vantage-A Real-Time Geolocation Framework for Excursions Safety: Built a web application for real-time location tracking and coordination in large group excursions, focusing on usability, live updates, and improved group safety.

Voice Virtual Assistant with ElevenLabs: Created a voice-enabled AI assistant using the ElevenLabs platform, integrating APIs for reminders, information retrieval, and smart device control, while optimizing language, tone, and speech speed for natural and seamless voice interaction.

Discord Bot: Developed an interactive Discord bot with command handling and automation features, improving engagement in community servers.

EXTRA-CURRICULAR ACTIVITIES

- Technical Lead –Karma 2026: Managed ticketing, workshops, and hackathon operations, ensuring smooth execution.
- Active participant in [IEEE](#) and [Mulearn](#) communities
- Published a paper: "Price Panda: An Online Comparison Application" in IRJMETS

CERTIFICATES

- [CS50X](#)

DECLARATION

I hereby declare that the information provided in this document is true to the best of my knowledge and belief.
